

## Fairway Credit

Once again we will be offering members the chance to spread payment of their platinum golf membership over 6 **OR** 10 equal monthly payments and we will be continuing to use the finance company, Fairway Credit.

If you currently pay your annual membership through Fairway Credit, we will assume that you wish to continue with this facility. If you wish to cancel or amend this facility, please advise the club in writing no later than **Friday 23 April 2021**.

The following charges will be applied to the platinum membership fees:

- 6 payments will incur 5.05% surcharge
- 10 payments will incur 6.15% surcharge

**Late Starters:** Anyone joining after Friday 23 April 2021 will not be able to take advantage of the 10 month payment option. You will, however be able to spread your payments over the remaining months. For example, memberships commencing any time in May can be spread over 9 months, June - 8 months and so on.

The first payment will leave your account on 15<sup>th</sup> of the month following the commencement of membership and will continue to do so on the 15<sup>th</sup> of each month until the balance is settled.

If you would like to start using the Fairway Credit option please complete the Direct Debit section on the bottom of the Fairway Credit Application Form and return with your membership form.

If you have any questions or queries concerning membership, contact our sales office on 023 8069 7073.
