Our Courses

We have two 18-hole courses, a 9-hole course, floodlit driving range and pro shop

Marwell Course

With holes varying from 90 to 150 yards, the Marwell Course is a great way to get juniors hooked on the game or to fine-tune your short game. It's also perfect for learners, or if you only have time for a quick round.

938 YARDS - 9 HOLES - PAR 3

Greenwood Course

The Greenwood Course sets out across a tributary of the River Hamble round a large woodland, and offers a breathtaking panorama from the top holes. With a 160-yard carry over an imposing lake, the 17th makes even the best golfers concentrate.

6,186 YARDS - Championship Standard - PAR 72

Parkland Course

The Parkland Course will test your entire repertoire of shots – it's a great test for golfers of all abilities. Looks may deceive, because even scratch golfers have to focus on their course management here.

5,672 YARDS - 18 HOLES - PAR 69
